

No Hiding Place – Benno and Blade

Benno is peaking shiftily around a corner, frantically scrolling through his mobile phone, he makes a call.

BENNO: Blade, its Benno, I need to talk to you.

*Blade walks behind him and taps him on the shoulder.
Benno is startled and jumps.*

Jesus Blade!

BLADE: I've told you not to call this number, and don't use my name, ever.
Give me that.

He grabs Benno's mobile and looks at it, he shakes his head.

Seriously lad you need to give your head a wobble.

*He throws the mobile to the floor and stamps on it.
Benno looks down at his broken phone and scowls, but he doesn't protest.
Blade gives him another mobile.*

Use that for now, it's clean.

BENNO: What's the score blade, this has got me spooked, I'm hearing all kinds/

BLADE: So you should be, this shit is nasty, I told you lad, you don't mess with these mental heads.

BENNO: I'm not messing with them.

BLADE: Yeah right, have you got their gear then?

BENNO: No but/

BLADE: Then your messing with them.

BENNO: Didn't you tell them that I got done over, they took/

BLADE: Yeah, they're not arsed, they just want their gear.

BENNO: Have another word for me.

BLADE: They're already on my case lad because I told them you were sound as;
but they think you're a muppet.

BENNO: What will they do?

Blade looks at him sternly.

BLADE: Look lad, it's over.

BENNO: What do you mean?

BLADE: What does over mean?

Benno shakes his head.

It's pop and burn innit!

BENNO: Eh?

Blade makes a gun with his hands and aims at his head.

No Hiding Place – Benno, Vinny and Girl

BENNO: Good, yeah! You suit that.

He then puts his hat on Vinny.

There you go, now keep your head down and your face covered, you need to keep warm, you sit there, yeah, nice and cosy.

He puts headphones on him.

There you go, good yeah?
Now you stay there, yeah.
Turn the music up, enjoy it, have a party!

Vinny smiles.

VINNY: Thank you.

BENNO: No probs, now you just stay here and relax, yeah.
Enjoy your new stuff.
Don't move from here, keep your head down and rest, your safe here, yeah.

*Vinny smiles.
Benno walks away.*

VINNY: What's your name?

BENNO: They call me Benno. What's yours?

VINNY: Vinny.

BENNO: Ok Vinny, you stay here, enjoy yourself.

VINNY: *Vinny smiles.*

Thank-you Benno.

Benno looks around and up and down the park again and checks his watch.

As he walks away, Vinny stands up. He calls to Benno.

VINNY: Hey Benno, before you go!

Benno turns around. Vinny opens his coat and reaches inside.

I've got something for you.

Benno stares at him in shock.

BENNO: No!

Vinny pulls out the vodka and holds it up and takes a swig.

VINNY: God bless Benno!

BENNO: Yeah, god bless to you to.

Benno smiles in relief, he laughs loudly and turns to go.

Suddenly the young girl on roller skates appears again.

She stops and looks at Vinny, she smiles and skates on.

She stops at Benno, she smiles at Benno, he recognises her.

BENNO: Hey, aren't you Carly, your one of our Maggie's mate's aren't you, I've been trying to get hold of her?

She smiles and pulls a gun from her jacket and aims it at him.
